Jonathan is a registered patent attorney with over 15 years of experience developing and managing the domestic and worldwide patent portfolios of high-tech Fortune 500 companies. Together with his colleague, Bryan Hanks, he manages a distinguished team of more than 30 registered patent attorneys, patent agents/engineers, and patent paralegals, representing some of the largest and most recognizable companies in the world.

Jonathan has prepared and successfully prosecuted thousands of patent applications throughout his career, primarily in the electrical, electro-mechanical, and computer engineering fields. He has also frequently counseled clients in other aspects of intellectual property law, including litigation, licensing, and opinion work, as well as due-diligence examinations, copyrights, trademarks, and patent reexamination proceedings.

Jonathan is a five-time recipient of the "Rising Star" designation by Super Lawyers and has been named as a "Legal Elite" by Utah Business Magazine. He has also been nationally recognized as one of America's Top Patent Prosecutors by Patent Research Review. In its 2020 edition, IAM highlighted Jonathan as a "uniquely service oriented" attorney that "consistently get[s] top reviews from engineers and in-house counsel." In 2016, his team was named America's Top Cybersecurity Patent Group by Juristat.

Although he lives in Arizona, Jonathan splits his time between the firm's Palo Alto and Salt Lake City offices.
