Bar Admissions: England & Wales

Education: Australian National University, LL.M.; University of Nottingham, LL.B.; Certified Information Privacy Professional (Europe)

Experience: Slaughter and May; Simmons & Simmons; King & Wood Mallesons

Jack Tsang is a Partner in the Firm's Global Corporate Group. He is an advisor to companies at different stages of their lifecycles, from Series A through to IPO, as well as founders, venture capital, private equity and strategic investors. In addition to English law governed UK and European corporate and technology transactions, he also has particular expertise in cross-border technology investments, M&A and venture capital deals. He also advises on data privacy issues in the technology sector.

Jack's experience spans the entire tech, digital, disruptive and innovation sectors and in recent years, he has developed a focus on Digital, HealthTech and, Life Sciences. He is particularly active in the UK's Cambridge, Oxford and London "tech triangle", and other key innovation ecosystems in the Middle East and Asia. He is a Certified Information Privacy Professional (Europe), a Member of the Royal Society for Public Health and is also a Licentiate of the Institute of Biomedical Science UK.

Earlier in his career, Jack worked at Slaughter and May where he gained experience in large-cap M&A, public takeovers, privatisations and capital markets, including advising on a number of AmLaw and IFLR award-winning transactions. He was also an active member of the Fintech and Tech Group at the firm where he advised UK and European financial institutions and other blue chip corporates on technology transactions.

Jack has been recognised by his clients who have praised him in the following ways: "he has expert knowledge and expertise that shines through"; "the excellence of the service"; "going above and beyond"; "helpful, strategic and timely advice, as always"; "a standout performer and supremely able".

Representative Transactions

Cross-border M&A

- Spartan, the world's leading endurance sports brand, in its investment in long-distance hiking event series HIGHLANDER and the formation of a strategic partnership.
