Mr. Weiner is a California attorney with over 18 years of litigation experience. Mr. Weiner has tried numerous cases in several jurisdictions throughout California. Mr. Weiner represents various clients, from individuals to large multinational companies. Mr. Weiner's recent experience involves real property matters, including complex construction defect matters and landlord-tenant matters.

In addition to litigation, Mr. Weiner advises property owners and managers on various issues, from code compliance to risk mitigation with difficult tenants and neighbors. Mr. Weiner prides himself on providing practical advice enabling his clients to get ahead of problems before they become litigation.

Mr. Weiner's years of experience have enabled him to assist clients in evaluating their exposure and potential recoveries. Further, his ability to assess cases has helped him to develop rapport with opposing counsels to resolve matters. This report is due to Mr. Weiner's ability to focus on what is affecting the parties and focus any resolution on those issues. Mr. Weiner uses this focus to advocate for clients and act neutral in mediation. Mr. Weiner assists parties in concentrating on what they can agree to, which can lead to the resolution of matters.
